

College Examiners

16.07.2013 version

Appointment of Examiners

Any member of the RNZPBA may recommend a suitably qualified person to be a College Examiner. Recommendations are considered and decided upon by the College. Recommendations must include full contact details of the nominee (email, postal address, phone number), a summary written by the nominee of qualifications with reference to the 3 requirements of College Examiners (see below), and the name and contact details of the nominator. Nominations are sent to the College Convenor/Registrar.

Qualifications required of College Examiners

1. The Advanced Certificate of the RNZPBA College of Piping and Drumming or a suitable equivalent approved by the College.
2. Ability to make good, fair and consistent judgements of performance in relation to the standards set down in the College curriculum.
3. Willingness to examine candidates when requested by the College in accordance with the College Guidelines for Examiners.

Role of Examiners

1. To be fully conversant with the requirements of the College curriculum for the certificate(s) being examined.
2. To examine candidates in accordance with College Guidelines for Examiners. The College decides who will conduct the examination of candidates.
3. To accurately record judgments on the examiner's sheets, and to send all such sheets to the College Registrar who notifies candidates of their results.

Register of Examiners

The College reviews its list of examiners from time to time. A person whose name is listed in the College's register is a Registered Examiner of College of Piping and Drumming.
